Baghdadi 'Mossad trained'

Posted on » Tuesday, July 15, 2014

WASHINGTON: The former employee at US National Security Agency (NSA), Edward Snowden, has revealed that the British and American intelligence and the Mossad worked together to create the Islamic State of Iraq and Syria (ISIS).

Snowden said intelligence services of three countries created a terrorist organisation that is able to attract all extremists of the world to one place, using a strategy called "the hornet's nest".

NSA documents refer to recent implementation of the hornet's nest to protect the Zionist entity by creating religious and Islamic slogans.

According to documents released by Snowden, "The only solution for the protection of the Jewish state "is to create an enemy near its borders".

Leaks revealed that ISIS leader and cleric Abu Bakr Al Baghdadi took intensive military training for a whole year in the hands of Mossad, besides courses in theology and the art of speech..

Well I keep seeing little mentions of it here and there, but more so each day for the last three days. Maybe it will make the mainstream media soon ?

BUT ISIS is actually Israeli Secret Intelligence Service but they thought no one will believe it 😊

Re: Snowden confirms that Al Baghdadi was trained by MOSSAD

Source of the News is Iranian news agency, who is quoting from Snowden documents. Now my question is that how only Iranian news agency have access to Snowden documents which mentions this link between Baghdadi and CIA and rest of the world journalist don't have that access?

If there is really some documents about Baghdadi then Journalist Glenn Greenwald and few others who has full Access to Snowden documents would have definitely reported about it but till now they didn't. So at the moment for me it looks like Iranian lies about source of the News

Finally, I found the first website that spread this rumor

Again, Shia website

This is just a quick research in the rumour that spread about Abu-Bakar

And it is so bad that Iran spread some rumour and we do like them

I dare any one from you to bring to me any sources before 6th of July 2014 that mention this rumour before the website that I discover

West & East

Especially Iran afraid about Islamic Caliphate

Because they know that only this Caliphate will add value to all Muslims, and no one will be dared to encroach upon or usurp any Muslim .dignity

Look to the Muslims around the world are being slaughtered, raped

Look for the massacres that get in Burma and Central Africa, Gaza and other places

Indeed, no one cares

I'm wondering about Muslims when they are .fighting Caliphate

اللهم أنصر المجاهدين في كل مكان

اللهم مكن للشيخ أبو بكر البغدادي
